

# The Pupil Voice Champion News

## Our Welcome

Welcome to the first instalment of the Pupil Voice Champion news! This newsletter is to inform you of all the exciting things that we...the Pupil Voice Champions (PVC) have been involved with this term. First to introduce ourselves...

## Being Elected

Being elected as a pupil voice champion comes with responsibilities. Jacob said that he is excited to be a pupil voice champion as he will make sure everybody has a friend in the playground. Dylan told Miss Jackson that he wanted to be a pupil voice champion because he knew he could do things that help the school.

## Our First Assembly

Speaking in front of 240 children is no easy task, but we did it! We told year one and two all about the PVC's and made sure that they all knew that they can come to us at any time to have their voice heard.

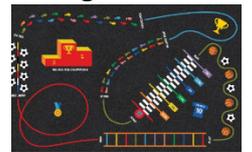

## Behaviour

During our meetings we have talked about the importance of behaviour to help us learn. We have discussed how our new behaviour policy and the sun reward chart allows us all to feel like we are being treated fairly!

## Grow your Mind

We have met to discuss the importance of having a growth mind-set. Having a growth mind-set is to help us become more resilient; instead of Reve saying "I can't do maths" she'll decide "I can take on a challenge". We are planning on doing an assembly in the spring term about having a Growth mind-set.

## Changes to our Playground

As PVC's we have listened to the children and understand that the playground needs updating.

During a recent meeting we looked at new markings for the playground, we decided our top things we would like are: targets; a new hopscotch; planets; a running track; lines for athletics and a giant noughts and crosses. We have told Miss Tester our ideas so let's see what happens...

## Raising money for the school

We thought it would be important to help raise money for the school at the Christmas Fair. After much discussion we decided that it would be a great idea to make Christmas decorations and sell them to our own parents! We had great fun helping out at the fair and even got to wear our very own PVC badges that we designed ourselves.

Make sure you look out for our special badges next time we are doing PVC business.

## Coming up...

Lots of exciting things to look forward to in the spring term so look out for our next PVC news!
