Hampton Junior School

Hampton Primary Partnership

Flu Vaccination

24th September 2019

Dear Parents and Carers,

From October 2019 Hounslow and Richmond Community Healthcare (HRCH) are offering all children Primary Schools the flu vaccination through a nasal spray. The session date for Hampton Junior School will be **Monday 25th November**, this will occur during normal school hours.

We will be sending a consent form home with your child on Tuesday 24th September, this will need to be completed and returned by Friday 25th October.

The immunisation programme is not compulsory but HRCH would like the form to be returned even if you do not consent to the vaccination.

Regards
Mrs. Halstead
Welfare Assistant
