

Welcome to HPPA

Dear Family,

Welcome to Hampton Primary Partnership and we are delighted to introduce HPPA.

Who is HPPA?

HPPA is a friendly, inclusive group of parents and carers who together make up our parents association. Our main focus is fundraising for both of the amazing schools in the partnership. We run the school discos, host parent quizzes, sell pre-loved uniform, organize the school fairs and so much more to both help raise money, but to also enhance the experience of the children in our schools and the parents and carers in our school community. We also run and help fund lots of events and experiences for the children throughout the year - including visits from Father Christmas and the Easter bunny, and more! We're very busy working away to provide as much support as we can to our schools whilst making sure the children and parents have lots of fun!

Who runs HPPA?

Louise Allen is our HPPA Chair and leads HPPA across both schools. Mark Allen is our fundraising leader at Hampton Infants, and Paula Turconi is our fundraising leader at Hampton Juniors. We are supported by Events leads for our amazing events and brilliant volunteers.

Uniform

HPPA support with preloved uniform so please contacthppa@gmail.com if you need any items. All branded items are £1.

Volunteering

If you are interested in taking part in the PTA please contact us on the email contacthppa@gmail.com

Talking Part in Events

We use an App Classlist for PTA engagement and bookings (it has Google & Apple Pay!) and is super easy to set up. Please download the Classlist app using the link below and create an account - it's really simple and only takes a couple of minutes. We'll be using Classlist for all HPPA fundraisers this year so don't miss out
<https://classlist.page.link/7tAEeXaP6uaLCbzK8>

Classlist is a community app which means you will be able to find other carers / parents/ children in your class and the wider school community and vice versa. When signing up, the app will ask for some personal data (e.g your phone number and address) but you can skip these questions - this data isn't essential for sign up. If you have any concerns about safeguarding or being searchable then please let the PTA know on contacthppa@gmail.com and we will ensure you can still access these events. You can check and change your privacy settings on the App via Account - Privacy to ensure you

are happy with the settings and can read Privacy Policy on the App under the Privacy section. The Privacy notice is also available on the Classlist website.

Class Reps

Each class has reps to help with reminders for parents and carers (it's PE day, times of Christmas concert etc) and help to organise class socials. When you join Classlist you will be added into class for your child/children.

Thank you and welcome to the partnership

Louise Allen

Chair of HPPA
