

## Year 6 Writing Award – Platinum Challenge

Complete your piece of writing by hand or on a computer and hand it in to your class teacher. Once they have read it and seen that you have challenged yourself to complete an excellent piece of writing, you will receive your Platinum award in a whole school assembly! You should aim to complete approximately one page and include the features of writing that you have been learning about in your English lessons.

Remember to write your name and your class somewhere on your piece of work.

What conversation would you like to have with the world?

Imagine you have the opportunity to have a conversation with the world, as if it was another person. What would you say to them? If it helps, you can write your ideas as a speech.
