

Year 3 Silver Badge - Complete both tasks and hand this back to your class teacher.

Task 1

Add and subtract amounts of money

PTRC

Write down how many 5p coins there are in each money bag.

45p

20p

60p

35p

Choose coins to make the amounts shown.

- 11p 4 coins
- 60p 3 coins
- 55p 5 coins
- 25p 8 coins

Task 2

Solve missing number problems

1. Arjun, Bethany and Charlie each bought some sweets.
 - Arjun and Bethany had 10 sweets between them
 - Bethany and Charlie had 9 sweets between them
 - Arjun and Charlie had 11 sweets between them
 - Arjun, Bethany and Charlie had 15 sweets altogether
 - How many sweets did each child buy?
2. Henry took three parcels to the post office.
 - Parcel A was twice the weight of parcel B
 - Parcel B was twice the weight of parcel C
 - The total weight of all three parcels was 14 kg
 - How much did each parcel weigh?
