

## Healthy Eating at School We are a nut aware School

### **Break Time**

Children are allowed fruit or vegetables. The fruit can be fresh or dried but not coated in chocolate or yoghurt. “Granola” type bars often contain large amounts of additional sugars and as such are not a good choice for a snack. Fresh fruit is available to buy every morning break in the front playground for 10p or 20p.

### **Hot School Meals**

As you may be aware, the Mayor of London has extended the provision to provide free school lunches for all KS2 pupils for the coming academic year.

We strongly encourage you to continue school meals for your child. It is widely accepted that a balanced nutritious meal at lunch time helps children concentrate properly and learn effectively. This helps their behaviour, learning and achievement during the school day.

The hot school meal menu is carefully put together and monitored to ensure children have access to a balanced, nutritious meal and we currently serve more than half the children in school. The school meals are cooked freshly every day and include a two course hot meal and access to the salad and fruit bar. The meals are good quality from fresh ingredients and we have worked with our cook to ensure portion size is appropriate. Sometimes they include items which your child may be unfamiliar with but they are encouraged to try everything e.g. beetroot and peppers.

Information on payment for school meals can be found in this pack.

### **Healthy Packed Lunch**

If you decide to send your child with a packed lunch they will need a named lunchbox/gag. Please do not bring plastic bags.

A balanced and nutritious lunch should contain four elements:

- Starchy foods: These are bread, rice, potatoes and pasta, and others.
- Protein foods: These are meat, fish, eggs, beans and others.
- A dairy item: This could be cheese or yoghurt.
- Vegetables or salad, and a portion of fruit.

Please do not include sweets, fast food, chocolate bars, fizzy drinks or canned drinks or **any** nut products in your child's lunch.

Please see the **HJS Suggestions for a healthy packed lunch** (grid overleaf) to ensure a healthy, balanced and nutritious lunchtime for your child.

One week's written notice is required to either stop or start school meals. You can do this by emailing the school office.

### **Birthday Celebrations**

When a child celebrates their birthday we ask parents NOT to bring in sweets, or cakes as a treat for the class, this is due to children's allergies. As a health conscious school we feel a more appropriate item would be an individual book the teacher can share with the class

### Suggestions for a Healthy Packed Lunch

DAILY ITEMS				OCCASIONAL TREATS	NEVER AN OPTION	
<p><b>Carbohydrates-Gr eat for energy. Recommended 1/3 of lunchbox.</b></p>	<p><b>Protein foods-Supports growth.</b></p>	<p><b>A dairy item-Good for growing bones.</b></p>	<p><b>Vegetables, salad or fruit-Five-a-day options.</b></p>	<p><b>Drinks-Hydration is important.</b></p>	<p><b>Only one every few days and never more than one at a time.</b></p>
