HPP SEND PROVISION

The school will follow a cycle of assess, plan, do, review and monitor the progress of the children on the SEND register.

expectations for all

our children

At HPP we work in partnership with parents and external professionals in order to meet individual needs

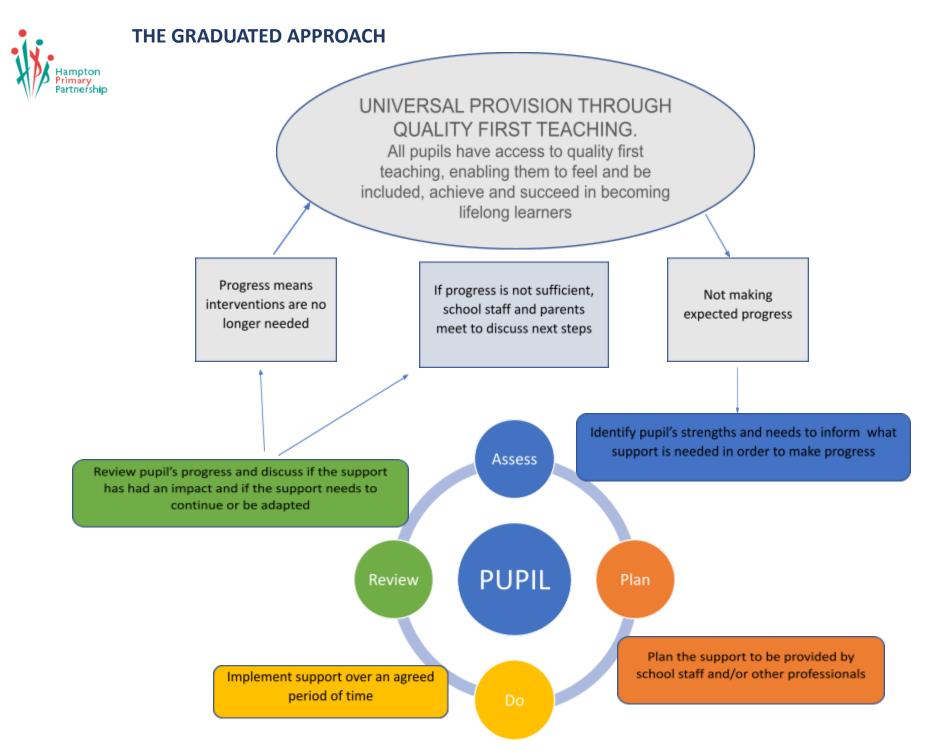

Children's views are at the heart of everything we do at HPP All pupils have access to quality first teaching, enabling them to feel and be included, achieve and succeed in becoming lifelong learners

Identified pupils are included in target interventions run by staff. Impact is reviewed and shared with parents and carers.

For further information on how we identify and meet the needs of pupils with SEND, see the SEND Information Report and the SEND Policy
