

Dear Parent / Career,

HPP Aspirations week

Next week is our '**HPP Aspirations week**'.

The purpose of the week is to provide all pupils with a chance to reflect on their own goals, and in doing so, raise their awareness of future opportunities linked to jobs and careers. Part of this week will involve presentations from parents / carers about their careers and also pre-recorded presentations from the website 'Primary Futures'. Thank you to all those that have volunteered to support this week by coming into school and sharing their stories.

On **Friday 14th June**, we would like to invite all children, across the partnership, to come into school dressed in a representation of a job / career that they might like to pursue when they are older. This could be as simple as a shirt and tie or smart work attire. However, we are also sure there are also many future scientists, builders, sports people, NHS workers and chiefs amongst our talented pupils. Your child's class teacher will talk to the pupils about their aspirations and we hope to see a variety of chosen dress ups.

If you have any questions, please speak to your child's class teacher.

We hope to inspire the children during the week!

Thank you for your continued support,

Mrs Claire Cook

Mr Jon James
