

Thursday 20th June 2024

Dear Year 5 Parents / Carers,

As part of our Food Technology curriculum, the children will be learning how to make pizzas. This immersive and practical activity is scheduled to begin the week commencing Monday 24th June. We have tasted a variety of breads to begin with which supports the learning onto making our own pizzas.

Below are the following dates when each class will be making pizzas:

Tuesday 25th June - 5A

Wednesday 26th June - 5S

Thursday 27th June - 5D

Friday 28th June - 5C

The majority of the ingredients will be provided by the school. If your child would like additional toppings they may bring in up to 3 from the list below:

- Cooked, cold meats such as pepperoni, salami or ham
- Sweetcorn
- Peppers
- Pineapple
- Mushroom
- Olives

Please can these ingredients be in a clearly labelled tupperware or sandwich bag - there only needs to be a small amount of each.

**If your child has any allergies or dietary restrictions we are unaware of, please speak to your child's class teacher as soon as possible, so that we can make safe alternative arrangements.**

Thank you for your continued support.

The Year 5 Team
