

Hampton Infant School and Nursery Enrichment activities

Enrichment activities at HISN are carefully planned to ensure pupils experience a wide range of opportunities and experiences that they might otherwise not. Whilst we are mindful of the age of the pupils we are ambitious for them to develop the cultural capital that will enable them to succeed in the future. The experiences include visits and visitors which are all linked to the curriculum and support learning. We are inclusive and consider the needs of all pupils when planning the experiences to ensure that they are able to participate fully.
