

HPPA - An Update

Published: December 2024

Who is HPPA?

Hampton Primary Partnership Association (HPPA) is a friendly, inclusive group of parents and carers who together make up our parents association. We are a newly formed charity who help raise money across both the infants and the junior schools (previously existing as two separate associations: HISNA and Friends of Hampton Juniors). We've brought our two parent associations together so that we can provide a more joined up approach to fundraising across both schools, and give the children and parents across the partnership the best experience as part of our school community. Our constitution will be shared on the HPP website and our charity number is 1211088.

What do HPPA do?

Our main focus is fundraising for both of the amazing schools in the partnership. We run the school discos, host parent quizzes, sell pre-loved uniform, organize the school fairs and so much more to both help raise money, but to also enhance the experience of the children in our schools and the parents and carers in our school community. We also run and help fund lots of events and experiences for the children throughout the year - including visits from Father Christmas and the Easter bunny and many more! We're very busy working away to provide as much support as we can to our schools whilst making sure the children, parents and carers have lots of fun! We also provide

free uniforms for families that need it, fund school trip places, author visits & experiences for the children.

What are we fundraising for?

This year we are raising funds for a Multi Use Gaming Area (MUGA) for the Juniors and for a redevelopment of the Reception playground to include environmental spaces. We provide termly updates on money raised to date and our plans for the following term.

Who runs HPPA?

Louise Allen is our HPPA Chair and leads HPPA across both schools. Lucy Dunbar is our Treasurer. Our other Trustees are HPP's Executive Head, Helen Lockey.

Louise Allen, HPPA Chair - Louise has led HISNA over the past 3 years and is passionate about raising funds for the partnership whilst making our events inclusive and fun. Louise is CEO of a political advisory firm and also a school governor in another Richmond School.

Who organises our events?

Mark Allen is our fundraising leader at Hampton Infants, and Paula Turconi is our fundraising leader at Hampton Juniors. We are supported by Events leads for our amazing events, our

Communication leads Jack Cottle and Fiona Wallin, and our brilliant volunteers.

Mark Allen, Infants Lead - Mark has led HISNA over the last few years alongside Louise and will continue to oversee the Infants fundraising this year. Mark is keen to get more parents (especially more Dads!) involved going forward. Mark works for KP Snacks and is a passionate football and heavy metal fan.

Paula Turconi, Juniors Lead - Paula is a parent to children in both schools. Currently taking a hiatus from corporate life, her background is in project management and product development. Paula has helped HISNA for the past 3 years and is committed to bringing in as many volunteers and HPPA as possible!

All the potential roles were shared with the school community for parents and carers to put themselves forward. All individuals were interviewed prior to appointment, with the majority of roles uncontested. The roles are for one year when a recruitment process (and election as required by the constitution for some roles) will be conducted. Current post holders will be able to put themselves forward for another year alongside any other interested parties.

How can I help?

Any parent or carer of a child across the partnership is welcome in HPPA! There are lots of ways you can help - from joining volunteer meetings, running events, helping on a stall at the school fair or helping with match funding. If you'd like to join HPPA or find out more about how you can help, please contact Louise at contactHPPA@gmail.com.

Thank you for wanting to help and we'd love to have you involved!
