Transition from KS1 to KS2

Dear Parents / Carers

We have developed a transition programme with Hampton Junior School aimed at ensuring that all children can feel confident and secure when they arrive in September to join Year 3. Only children who will be moving to HJS will attend the HPP new class morning and be assigned a buddy from year 3.

During the final half term, when the children are in year 2, there is a regular focus in class on transition as well as a planned timeline for the children to begin to get to know their new class teacher.

Year 2 to Year 3 Transition Timeline

Tuesday 4th June	New year 3 teachers read a story to year 2 classes
Tuesday 11th June	New year 3 teachers read a story to year 2 classes and greet parents at pick up time.
Thursday 20th June	Current year 3 children and staff to do buddies with 2J and 2P children. (9.30am - 10.30am)
	Current year 3 children and staff to do buddies with 2C and 2MC children. (11.15 - 12.15pm)
